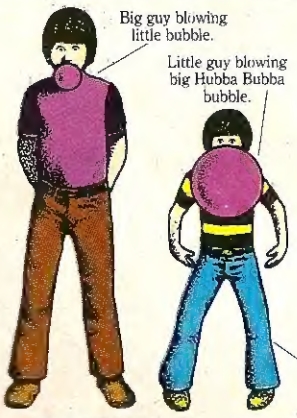
GUMFIGHTING DO'S AND DON'TS.

The first thing to do—pick the right chew: Hubba Bubba.® The soft and juicy bubble gum with amazing no-stick bubbles.™ Then proceed with this simple yet effective gumfight drill: **(1)** Begin blowing bubble. Note Hubba Bubba's incredibly large bubble. **(2)** When the Hubba Bubba bubble breaks do not be alarmed. **(3)** Simply remove Hubba Bubba from your face. That's right, simply remove and replace in mouth. Return to step 1. Repeat drill ten times.

THE PROPER STANCE.

Gumfighter's hat (optional)
Hubba Bubba bubble should be facing opponent
Keep elbows akimbo (bent)
93°
Note soft, juicy and delicious Hubba Bubba close at hand.
Knees slightly bent forward
Feet planted firmly on ground



YOUR SIZE IS NOT IMPORTANT.

The size of your bubble is. And that means choosing the right bubble gum —Hubba Bubba. Because when it comes to great, big, fat bubbles, nothing sizes up to a Hubba Bubba bubble.

ACCEPT NO SUBSTITUTES.

This boy did. And now instead of wearing a smile, he's wearing a paper bag over the bubble gum stuck to his face. Definitely not soft and juicy Hubba Bubba Bubble Gum. Does Hubba Bubba really work? Absolutely! Hubba Bubba is gumfighter tested and approved.

So pick up a pack of Hubba Bubba in original or mint flavor. Enjoy that soft, juicy, delicious taste. Plus those great, big Hubba Bubba bubbles that won't stick to your face.

SOFT. JUICY. DELICIOUS.

BIG BUBBLES, NO TROUBLES.

LITTLE BY LITTLE THE CULPRIT SEEMED TO BE MONHEGAN...
EVERY MAN SHOT A PERFECT SCORE! I TOLD THEM THEY COULD HAVE A 3 DAY PASS... BUT I DIDN'T THINK THIS BUNCH COULD EVEN HIT THE TARGET!

How to make others secretly DO YOUR BIDDING with the astonishing power of

AUTOMATIC MIND COMMAND!

Here's how to get started in just 3 minutes . . .

Dear Friend:

New power is about to leap into your life . . . an astonishing way to control the thoughts and actions of others without their knowing it . . . no matter how much they may *not* want to follow your instructions, they carry them out to a "T" every time! .

With "Automatic Mind-Command" you'll be running the show. Make a wish, turn on The Power, and watch those around you drop everything and do what they're told.

And nobody will even have the faintest idea that you're behind it all. That's the beauty of "Automatic Mind-Command"—you are the only one who knows what's going on—you alone decide when things should start . stop . . . change around.

CONTROL YOUR FRIENDS OR STRANGERS!

You can use it to control your friends or strangers, one at a time or in large numbers, at any time, and ANY WAY YOU LIKE .

For example: You go into a bank for a loan. The credit man smiles but says "Sorry. You don't qualify for a loan right now; however, if there's anything else I can do for you, I'd be glad to . . ." Then in a flash, his tune changes when you let loose your "Automatic Mind-Command." He continues, "In fact, we'll be glad to give you $1,000 more than you asked for. And any time you want more, just see me personally! Thank you so much for coming by!"

Impossible? You'll be doing things like that every day without even thinking about it. As soon as you need something done, *it's done!* The people who do these things for you will remember what they did, but not *why!*

FUN POWER—TOO!

You can have a lot of fun with this power, too. Look how Evelyn C. used it at work . . . One day, while sorting papers, her boss angrily inquired why she had to make so much noise—and scolded her in front of everybody. Evelyn said nothing, but smiled to herself—for she had just turned on the "Automatic Mind-Command . . ." Suddenly the boss apologized for being a scoundrel. "Please . . . I'm sorry," he said, in front of everybody. "I'd like to make it up to you!" And he told her what a wonderful person she was! When Evelyn turned the power off, the boss just stood there with a look on his face, stuttering what made him [illegible]

Think what this power can mean in your life . You need money and it's there! You want some affection . you'll be smothered! You want peace and quiet . the world stands still!

NO MORE SECRETS WILL BE KEPT FROM YOU!

People who think they can hold back the facts will meet their master in you! You just fire a little "Automatic Mind-Command" at them, and they'll sing like meadowlarks . . Nona J. was at her wits' end when she tried to find the money she'd put aside to pay the rent—it was gone. A frantic search through the house turned up nothing. There was only one possibility left . . . she asked Billy. A look of surprise crossed his face. No—he hadn't seen any money. But Nona didn't believe him, and started using "Automatic Mind-Command" to find out if he was telling the truth. Suddenly Billy reached into his pocket and took out a roll of money. After giving her the money, he acted as if nothing had happened!

Think how many secrets must be hidden all around you! Things your spouse won't tell . . . your neighbors won't say . . . your boss keeps quiet about . . . ALL BROUGHT INTO THE OPEN JUST FOR YOU!! They'll tell you all their secrets, but they won't know why.

Hold on now, because I haven't told you yet about the best part of "Automatic Mind-Command."

You may have to bolt your door to keep people from overwhelming you with love, gifts, favors, rewards! Perfect strangers will be walking up to you and asking, "How are you? Can I do anything for you?" They will never suspect that "Automatic Mind-Command" is impelling them to like you, please you and automatically want to help you.

INSTANTLY YOUR LIFE IS CHANGED!

At first, I couldn't believe it. And yet I know this to be true from my own personal experience . . . time after time. For example . .

A STRANGER HANDS HIM $500—Harry G., a low-paid factory worker, wanted to start a business of his own. All he needed was cash to get started, but no one would give him the money. Finally someone told him how to use "Automatic Mind-Command"—and Harry laughingly tried it. A short time later, a perfect stranger handed him $500—saying he'd heard about Harry's plan, and was eager to help him get started!

Unusual? Not at all . . things happen every day with "Automatic Mind-Command."

RECEIVES NEEDED CASH QUICKLY!—Mrs. Thelma J. reports, "I needed money badly." Her husband hadn't worked in months, and their savings were running out. Then she discovered "Automatic Mind-Command"—and turned on the power immediately! The next morning she received a package containing several hundred dollars from friends and well-wishers she never knew existed!

In all history, few indeed are the ones who have recognized "Automatic Mind-Command." The rest, who do not use it, pay the penalty in suffering, wishing, hoping, dreaming Now I say to you: Wish no more!

HOW TO GET STARTED IN JUST 3 MINUTES!

Minute #1—Fill out the No-Risk Coupon and mail it to us.

Minute #2—When you receive a package in the mail from us, open it.

Minute #3—Lift the front cover, and let the secret feed itself in to your mind automatically.

After that, sit back, relax—and see how this power can work for you. It's as simple as that! It won't cost you one penny unless it works!

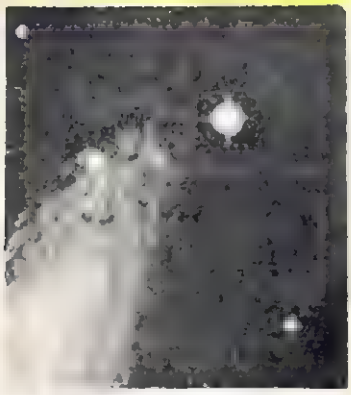
IN THAT INSTANT, YOU WILL ALREADY BE ABLE TO USE "AUTOMATIC MIND-COMMAND" FOR THE FIRST TIME . . . for money, love, healing, protection, and much more!

Imagine the thrill—after a lifetime of "scrimping" and "penny-pinching"—to see a tidal wave of riches rolling into your life from every direction—pay raises, bonuses, gifts, legacies a rising tide of good fortune!

MORE AMAZING CASE HISTORIES!

And it's all just *minutes* away!

Larry S. wanted to see his girlfriend—although he had no idea where she was—and no way of contacting her by letter or phone. From far away . he began using "Automatic Mind-Command!" In that instant, his girlfriend knew what she had to do. She dropped what she was doing, excused herself and hurried to visit him. Arriving in record time—she hugged and kissed him, explaining that "something" told her he wanted and needed her, and what could she do for him!



Now here's a most fantastic use of "Automatic Mind-Command" -one I'm sure you'll agree proves that here is a power which staggers the imagination!

For example, cases of health-symptoms relieved with "Automatic Mind-Command!" John C. reports that his hearing now seems normal again! Warren W.'s blurred eyesight cleared, sharpened, and now seems normal! Lydia E. says her arthritic symptoms of soreness and stiffness in the fingers were relieved when nothing else seemed to help, and Mrs. M. S. was surprised when her leg pain disappeared. Bella S., who complained of "ulcerative colitis" with stomach cramps and diarrhea, obtained fast relief And others report relief from complaints of high blood pressure, heart symptoms, "migraine" headaches, weakness, dizziness, fatigue, and more.

It's simple, easy, and automatic to apply!

YOURS TO PROVE—AT OUR RISK!

So you see, life can be beautiful with "Automatic Mind-Command." To discover its amazing power let it put you on the road to a NEW LIFE . . . filled to the brim with riches, love, pleasure and all the wonderful luxuries of the world . . . and more! You owe it to yourself to try it! Why not send in the No-Risk Coupon—TODAY!

Sincerely yours,

Scott Reed

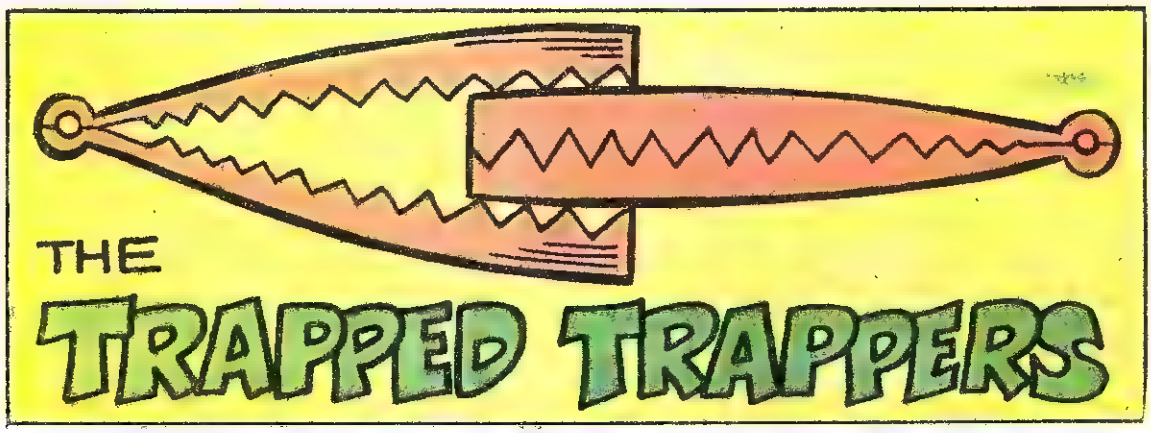
LEGENDARY SOLDIERS? THERE NEVER WAS A MAN LIKE MONHEGAN!



During the eleventh century, there came from the burning sands of Africa, a fighter who felt he had a mission. As a boy he had visited the important cities of the land. He compared the luxury and ease of the people in the walled cities with the kind of life he, his father, and his people led. He came to the conclusion that the only life worth living was the tough, hard, and fighting one. His name was Masuf and he became leader of his tribe.

Now it is one thing to feel you want to conquer with just a small army. And it is entirely something else to try to turn that dream into reality. It probably would have gotten no further than perhaps daydreaming, were it not for Ben Amed. We know nothing of the early life of this great military genius, inventory, strategist, and in his later life-ruler.

But their paths crossed and it became the task of Ben Amed to create a fighting force that would be the finest in its day. He did draw up plans for each battle, campaign, or attack that was to be made. Masuf decided he would have to rule all the walled cities in the land. The city of Rama, ruled by Prince Ali Dasa had already fallen. The next city to be besieged was Muktar, ruled by a very old king, Bashar.

The object of the siege was to starve the city into submission. And then Sheik-Hami decided to take a hand in the war. He called the council of elders together and presented this situation to them: "We have not been too friendly with King Bashar. What are we to do? If Masuf takes his city, he will next turn his attention to us. It is better we fight now."

It was agreed that the fighting men should cross the desert and thus trap Masuf and his men. They would be caught between the city wall's and the army from the desert. How to inform King Bashar? The king had a son, the Sheik had a daughter and soon a clever plan was arranged.

Two weeks later a caravan was stopped by the soldiers of Ben Amed and the leader taken to him. He pointed out that there was a marriage to take place. Could the fighting stop for an hour? A truce to be arranged? This was agreed upon and the caravan entered the city. An extra man managed to attach himself to this caravan and he, on the return trip, gave Ben Amed a correct report of what he had heard and what he figured out.

"It will take about seven days for them to cross the desert on horseback," said Ben Amed to Masuf. "If we trap them instead of they trapping us, we will smash them first. The city will then surrender."

The fertile mind of Ben Amed was working on an idea. The stakes were high. He wanted to defeat the Sheik-without even fighting? It was when the fighting men of Sheik El-Hami were mid-way through their desert journey, that the plan went into effect. It was a quiet night. The fighting men were sleeping. Of course, there were guards. The horses were together in one area.

And slowly along the sands crept a small group of men. With their knives they quickly and efficiently silenced the guards. The ropes around the horses were quickly cut. And the shouts and noises soon aroused the sleeping men. Only to see their horses all fleeing! They were left in the desert without their mounts! But this was only half of the plan.

Ben Amed then had his men later mount these horses. A "sham battle" took place! King Bashar from the safety of his walls concluded his friends had really helped him. With joy he watched his enemy "defeated." And soon the gates of the city opened to welcome the deliverers! Two hours later, the city surrendered. Then Ben Amed turned his attention to the army left in the desert. The trappers were trapped!

A burning sun and the lack of water did the trick. Sheik El-Hami sued for peace. He had a good fighting force and the terms were generous. He paid in gold and pearls. And also agreed to help Masuf should a call be sent to him. King Bashar was left alive. His son did marry the daughter of the Sheik and ruled in his father's place. He swore allegiance to Masuf. The double clever victory helped to convince others it would be best to work with Masuf instead of trying to oppose him.
